

BIRD TAILINGS

Volume 22, # 4

A Monthly Newsletter Published by the RoadRunner Prospector's Club

April 2008

It was previously decided not to publish an April newsletter. We received, however, our Army Corps of Engineers dredge permit and since a copy must be mailed to our members we have taken the opportunity to enclose a brief April Newsletter.

A few items of note:

- The Sam's Club parking lot may be used for additional parking at the General Meetings.
- There is No smoking anywhere on school grounds at our general meeting.
- Remember the big dig and spring picnic April 19th and 20th at Leave No Holes Claims, map #21.
- We have received numerous calls regarding road conditions into some of our claims. We are aware of some of these problems and are working with the BLM to see what we can do to correct them.

Rumors or is it true?

There have been some complaints about aggressive attitudes toward non-members found using our claims. Please remember we are not police officers and we only have mineral rights to these claims.

Please report any problems you may encounter (conditions, dumping or illegal use) to the roadrunner office.

Special Notice

The paid position of database/office coordinator will be available this fall. We hope to interview, select and train someone this summer. If you have an interest in this part-time position and have good computer skills, please forward a short note to the club mailing address and we will give you more details. We hope to fill this position from our membership.

MONTHLY VIP DRAWING WINNERS

There was no drawing in March due to the lack of a meeting. The drawing will resume at the April General Meeting.

A REMINDER OF THE ANNUAL SPRING PICNIC AND SPECIAL EVENT - APRIL 19 & 20

All members are invited to a special Dig-Push/Treasure Hunt.

Location: Leave No Holes #1 (claim map #21)
Date: Sat. April 19 through Sun April 20
Time: Claim open 8:00 AM Sat.

This special event will take place down in the creek bottom and along its banks. This is not a typical flat push that you may have seen in the past. We will be opening different areas per our operational plan filed with the BLM.

Metal detectors and drywashers are all welcome, we are looking for the GOLD!

We hope **all** members take advantage of this free special event.

For more information contact: Skip Mendenhall
xxx-xxx-xxxx

Important Note: Spring Picnic and events held on Sat. April 19 are for those who have paid their annual maintenance fee (AMF) only. The dig is for **all** members. (Yes, the road from Decision Corner to the claims will be repaired.)

WELCOME NEW MEMBERS

- Larry & Ruthanne Wishart, Vancouver, WA
